Livestock Show and Official Opening.....Rink (Old Drill Hall)

Poultry Show.....Stock Judging Pavilion

DEAN'S MESSAGE:

On behalf of the Faculty of Agriculture and Home Economics I would like to extend a cordial welcome to all friends and visitors to this the Seventh Annual Student Winter Fair. Extra College functions demand many sacrifices in time and effort by students and staff alike. This event is one of the major extra-curricular functions of our faculty and we appreciate your interest and attendance.

To those of you who expressed your support with such generous contributions, I would like to say a special word of thanks. It would be impossible to conduct such an undertaking without this support.

Our appreciation is extended to our many friends who have given so generously of their time and effort. You will no doubt feel gratified in knowing that you have contributed in no small measure to the training of our young men and women.

Might I also be permitted to especially welcome those young men and women who are visiting our Winter Fair today? We hope that you will enjoy your stay and perhaps some time in the near future you yourself may be a member of our faculty and participate in this and other college activities.

May you all have a very pleasant day!

J. R. Weir

Dean

Winner.....

1940

CLASS RIBBONS

All the prize ribbons are donated by the Manitoba Agricultural Graduates Association.

As members of the Executive of the seventh Agricultural Student Winter Fair, we wish to express our sincere thanks to the firms who have contributed so generously to this annual event.

We are particularly indebted to The Winnipeg Grain Exchange who have borne the full cost of printing this catalogue and have donated the sum of one hundred dollars to cover the expenses involved in sending the fair manager and his assistant to the Student Winter Fair at Saskatoon, Saskatchewan.

The failure or success of our fair does not depend on any one person. In its machinery every cog has its share of the work. In this regard, I would like to thank the members of the executive who have worked so closely with me. I hope that the students, who devoted so much of their time to the preparation of their entries, are satisfied with the results and have gained some knowledge from their efforts. To the President, Dean of our faculty, to the judges and demonstrators who contributed to the final results of our show, and to the instructional staff who gave freely of their time and advice, I would like to extend a hearty vote of thanks.

I would also like to thank our visitors who help to make our show a success. I hope you will have an enjoyable day and that you will take with you a greater knowledge and understanding of our activities and our faculty.

WILLIS STEEN,
Fair Manager.

This catalogue has been
made possible by the gen-
erous donation of The
Winnipeg Grain Exchange.
